

DAN KLEIN MEMORIAL  
ARTIST DONATIONS TO  
NORTH LANDS CREATIVE GLASS.

Dear Artist,

Since Dan unexpectedly passed away at the end of June last year, numerous Artists have said that they would be delighted to donate a piece of their work for sale, the proceeds from which to go to the Dan Klein Memorial Fund which has been set up to honour his memory and to further his much loved project, North Lands Creative Glass. Further to discussions with my fellow North Lands Directors and Advisory Board, we have decided that the simplest and easiest way to progress with this is if each artist selects a special piece of work at their own leisure, when they know of an exhibition that they are to participate in and, once the work has been sold, donate their part of the selling price to the Fund. If their gallery wishes to donate a part or all of their commission, all well and good, but obviously we feel it only fair to leave this to the gallery's discretion. Knowing how much Dan contributed to the world of contemporary/studio glass, both at home and internationally, I am sure that some galleries would be happy to participate.

No time scale need be involved and Artists could let us know when and where their exhibition would be taking place so that information could be sent out to buyers and museum curators, via my extensive email list (Dan Klein Associates), North Lands website and hopefully, the Artist's client base and websites too. An image of the piece would also be useful to circulate and for North Lands website information.

I do hope you feel that this is something that you might consider and would like to be a part of and we look forward to hearing back from you in the not too distant future.

I thank you in advance.

With all good wishes,

Alan J. Poole & The Directors Of North Lands Creative Glass.
